4 Posting Channels

- Company Website: <https://proarchive-dz.com/>
- Job Boards: LinkedIn
- Recruitment portals (e.g., via ANEM search)
- Email Distribution Lists: Send job offer to candidates via internal RH mailing list

5 Posting Must Include

- Application deadline: 1 June 2025
- Contact information: Hr-Proarchive@gmail.com

6 Applicant Tracking System (ATS)

6.1 Responsible

- AI-Driven ATS

6.2 Functions

- Collect applications from all platforms in one database
- Extract and parse key information using NLP
- Score and rank candidates based on match percentage
- Flag applications with red flags (e.g., employment gaps, fired, foreigner, >35)
- Forward top-ranked candidates to HR
- Have final 8 candidates

7 Step 2: Ranking System

Table 1: Candidate Scoring Criteria

Criteria	Scoring	Weight
Experience	+1 per year beyond 3 (e.g., 5 years = +2)	40%
Academic Performance	Top 10%: +2 — Top 25%: +1 — Else: 0	30%
EDMS/CSP Experience	Direct: +3 — Indirect: +1 — None: 0	30%

7.1 Formula

Total Score = (Experience Points $\times$ 0.4) + (Academic Points $\times$ 0.3) + (EDMS Points $\times$ 0.3)

8 Step 3: Apply Scores & Sort

1. Calculate scores for all 20 candidates.
2. Sort in descending order (highest to lowest).
3. Top 8 candidates advance to the interview stage.

9 Candidate Review

9.1 Responsible

- HR

9.2 Action

- Analyze shortlisted candidates
- Select candidates for interviews

10 Status Update

10.1 Responsible

- AI

10.2 Tasks

- Update candidate status: Interview, Rejected, or Pending
- Automatically send notification emails to applicants

11 Interview

11.1 Responsible

- HR, Department Manager
